**Meditation for Recovery: Yoga Nidra – Monday, December 15<sup>th</sup>, 6:00 – 7:00 pm**

51 Cole Parkway, Scituate MA 02066

Our meditation for recovery is a practice known as yoga nidra. Yoga nidra means “yogic sleep” in Sanskrit and it's a powerful guided meditation practice that is said to be the equivalent of 3 hours of sleep! Through a systematic process, this meditation helps slow the brain waves down and allow our body to rest, relax and restore. If your schedule is hectic, you're feeling stressed or maybe not sleeping well, this is the meditation to try. Bring a blanket, pillow, whatever you may need to be comfortable and give yourself a guided restful “timeout”. The hardest part is trying to stay awake.
